

## **Teachers and Teaching Artist(s) Collaborative Reflection**

*If learning, teaching and collaboration are creative processes then the following questions require consideration:*

**Was there a resonating moment?**

**If so, what was it?**

**What really worked for you and your students?**

**Suggestions for Improvement**

**What if ...?**

**Bottom Line:**

**Were the day's lesson objectives fulfilled?**

**If so, evidenced by?**

**If not, why not?**

**Day's most significant insight, Ah Ha, or Disappointment:**
