Erie Arts & Culture
Northwestern PA Arts Recovery
Grant Opportunity
2022 Arts & Cultural Organization Guidelines

PROJECT OBJECTIVE

Erie Arts & Culture (EAC) offers a new Arts & Cultural Organization Grant Program through the National Endowment for the Arts and the American Rescue Plan. The grants are intended to fuel the art sector’s recovery from the devastating economic and health effects of the COVID-19 pandemic. These funds are intended to help support arts organizations and the broader arts and culture sector in its response to and recovery from the pandemic.

EAC’s awards will impact a broad constituency, and we encourage applications from a wide variety of arts organizations. Through this project, EAC will provide support to regional organizations as they mitigate the impact of the pandemic while also encouraging the expansion of community access to the arts by (a) demystifying artistic practice and increasing the accessibility of arts programs to communities—especially communities that may have been under-resourced in the past by federal arts funding; and (b) supporting a wide range of arts activities developed in a variety of local settings.

EAC will competitively award ARP funds to eligible arts and cultural non-profit organizations. These funds are intended to help support jobs in the arts sector, maintain day-to-day operations of arts organizations, and assist in the sector’s response to and recovery from the COVID-19 crisis.

**MATCHING FUNDS**
There is no matching funds requirement for this program.

**APPLICANT ELIGIBILITY**
- Applicant must be a 501(c)3 non-profit organization or federally-recognized Indian tribal governments whose principal office/activities are located in Erie, Warren, Crawford, Venango, Mercer, or Lawrence county.
- For-profit entities, fiscal sponsorships and fiscal agents are not eligible applicants.
- At the time of application, all applicants must have a Unique Entity Identifier (UEI), from the System for Award Management (SAM) at [www.sam.gov](http://www.sam.gov). This may take several weeks and applicants are encouraged to begin the process immediately. The SAM registration must be current at the time a grant is made and throughout the life of the award. Registration with SAM is always free.
- Applicant must have an annual operating budget less than $750,000.
- Applicant’s primary focus must be around providing high-quality arts experiences to residents in one of the six counties listed above. This may include arts engagement activities (performances, exhibits, events, etc.) arts education, or both.

- Individual artists should apply for the Northwestern PA Arts Recovery grants for individual artists.
- Arts organization grant program applications must be complete in order to be eligible.

Note: Organizations who contract/hire individual artists that are applying for a Northwestern PA Arts Recovery grant can apply for an organization grant. Artists who have a practice outside of their responsibilities as a salaried staff person or as a contracted services artist, may apply for a grant for their own project. If the organization is in some way involved in the project, as, for example, providing a venue for the project to take place, both artist and organization must take care not to have both grants pay for the same expenses. If an artist is not employed by the organization but both entities have a Northwestern PA Arts Recovery grant, the same restrictions apply.

**REVIEW PROCESS & RESUBMISSION**

Applicants who are not awarded funds in a cycle may resubmit applications for possible funding awards in future cycles (if and only if unawarded grant funds remain available). Applicants will receive comments from the evaluating panel, which are intended to assist the applicant in applying in the future. These comments do not, necessarily, justify or explain the score, as they are made in a group forum and the grant score is each individual panelist’s opinion.

There is no formal appeals process for applicants who do not receive awards.

**FUNDING DISBURSEMENT**

Within 30 days of the execution of the grant agreement and submission of required forms including a request for payment, grantees will receive two thirds of the grant award. At the end of the grant period, or upon completion of grant funded activities, grantee must submit a Final Report as described below in Compliance and Reporting which includes an accounting of how all grant funds were expended. Upon review and approval, EAC
will process the payment for the remaining third of the award. Final payment will be made within 30 days.

"Supported by a grant from the Erie Arts & Culture, with funds from the National Endowment for the Arts."

Credit text must be the same font size as other recognized sponsors and organizations. Failure to provide such acknowledgement will be considered a non-compliance issue. Recipients must share with EAC staff all public event and exhibition announcements during the grant funding period by emailing ethan@erieartsandculture.org.

The accounting format must indicate the amounts and payee of each charge to each budget category.
Funding will be withheld if the grant recipient does not meet the necessary requirements laid out in these guidelines, and the completion of required reports as agreed to by the grantee’s acceptance of EAC funding.
